

## Extraordinary Lives Foundation Newsletter

March 2022

### From the CEO!

Dear ELF Community,

We have entered the month of March with renewed optimism as restrictions are being lifted and life begins to feel a little bit more normal once again. We are looking forward to being able to interact with children in person and help to share Piggie Bear with our most vulnerable precious youth within Orange County and beyond.

I look forward to sharing more with you in the coming months and, as always, want to express my endless appreciation for your support.

With gratitude,

Mara James  
Chief Executive Officer

## Piggie Bear® In The Community

Thank you to all of you that were able to join us at the amazing Oso Fit Run event. It was great to be in person and the children LOVED high-fiving Piggie Bear as they crossed the finish line.

## About the Extraordinary Lives Foundation (ELF)

ELF's mission is to improve children's mental health and wellness and support families by providing awareness, educational tools, and resources.

We encourage families to recognize symptoms, overcome the stigma and reach out for help. Through prevention, early intervention and holistic treatment, we believe many of the big problems facing today's youth can be transformed within a generation.
