

HUGS FOR LIFE HEALING CENTER REFERRAL NETWORK

HUGS Mission:

To bridge the gap between medical professionals and approved holistic healers to transform lives.

HUGS Vision:

The Extraordinary Lives Foundation has created the HUGS for Life Healing Center, a referral network of HUGS approved holistic healers. Community partners refer to a HUGS navigator who then connects the client with holistic healing options suited to their needs.

HUGS Philosophy:

ELF believes that healing occurs when you combine Western medicine and therapy with holistic healing modalities. All families deserve access to alternative healing options.
